

SWOSU to Host Texas High School Football Playoff Game

11.10.2015

For the second year in a row, Southwestern Oklahoma State University in Weatherford will be the site of a football playoff game featuring high school teams from Texas.

SWOSU was asked to be the neutral site for this Thursday's clash between Henrietta (TX) and Sanford-Fritch (TX). Game time at Milam Stadium is 7 p.m.

Henrietta is located 18 miles east of Wichita Falls, while Sanford-Fritch is 30 miles north/northeast of Amarillo.

Todd Thurman, athletic director at SWOSU, said Weatherford's location makes it convenient for the two schools to meet in western Oklahoma.

Ticket prices are \$5 for adults and \$3 for students.

SWOSU hosted a 2014 football playoff game between City View in Wichita Falls and Spearman.
