

Spread the Warmth Coat Drive Being Held at SWOSU

11.17.2016

The Southwestern Oklahoma State University Nurses Student Association (SOSUNSA) is asking western Oklahoma residents to help with their Spread the Warmth Coat Drive on the Weatherford campus.

SOSUNSA is asking for and collecting new or gently used coats that will be donated to the Et Cetera Shop in Weatherford. Donation boxes can be found in Stafford Center, Parker Hall, and the Al Harris Library.

All of the coats that are collected will be picked up on December 7 for delivery to the Et Cetera Shop, a thrift store for residents in western Oklahoma.
