

SWOSU Plans 2nd Graphic Design Conference and Exhibition

11.21.2016

The Graphic Design Conference and Exhibition will be held at Southwestern Oklahoma State University on November 28, November 30 and December 2 on the Weatherford campus.

The Conference and Exhibition will be held in the SWOSU Memorial Student Center and is open to all SWOSU faculty members and students, area business owners and high school students.

According to Dr. Siriporn Peters, the conference/exhibition strives to generate opportunities for graphic design students to present their creative designs to the public, provide a space for graphic design students to meet with their peers and local business owners, and promote the graphic design program of the Art, Communication and Theatre Department of SWOSU.

For more information, contact Peters at sirporn.peters@swosu.edu or 580.774.7138 or Marsha Carman at marsha.carman@swosu.edu or 580.774.7112. The schedule is:
