

Choctaw Student Plans Senior Art Show

10.15.2010

Southwestern Oklahoma State University senior Lea Ann Williams of Choctaw is having her senior art show October 18-30 on the Weatherford campus.

Williams' show, *Règènèrè Matèrial*, is a combination of mixed media pieces and installations. An installation is a site specific, three-dimensional work designed to transform the perception of a space.

Williams' show will exhibit multiple forms and styles of dresses using materials anywhere from cheesecloth to tissue paper. The exhibition will be located at the SWOSU Art Department Gallery. The opening reception will be Monday, October 18, from 6:30-8:30 p.m. Refreshments will be provided. Admission is free, and the show is open to the public.

"I would like to thank the SWOSU Art Department and my fellow classmates for their support," Williams said. "I would like to especially thank EK Jeong, my advisor, for her confidence in me and helping me see my own vision more clearly. I know I wouldn't have been able to accomplish all of this without her encouragement and guidance."

Gallery hours are Monday through Friday from 8 a.m. to 7 p.m.
