

SWOSU Intramural Program Going Strong

10.07.2014

Southwestern Oklahoma State University's intramural program has traditionally drawn interest from many students on the Weatherford campus.

Fall semester intramural sports are well underway, but there is still time for interested students to join a team and participate.

Scott Miller, director of the program, said intramural sports are offered seasonally and are a great way to stay active and competitive. The Wellness Center staff encourages students to select at least one sport and be active. Miller said there is always room for new competitors, and there is never a charge for participating.

The yearly intramural schedule features a variety of sports but is subject to change. The spring sports schedule is not completely finalized. The lineup is:

Fall (Aug.-Oct.)

- Football
- Co-ed Softball

Winter (Nov.-Spring Break)

- Indoor Soccer
- Men's Basketball
- Co-ed Basketball
- Co-ed Volleyball

Spring (Spring Break-End of Semester)

- Co-ed Football
- Co-ed Kickball
- Co-ed Softball
- Sand Volleyball
