

Crisis Management Intersession Course Being Offered at SWOSU

10.12.2009

SWOSU will offer a Crisis Management course during the winter intersession, and this is the first time that the School of Business and Technology has offered students the opportunity to earn credit during an intersession.

Dr. Tami Moser, assistant professor in the school, said the course will be offered Saturdays and Sundays, December 19-20 and January 2-3, from 8 a.m. until 8 p.m. each day on the Weatherford campus.

Students must be juniors, seniors, graduate students or community members. Enrollment is underway. Moser said the course focuses on planning, preparation, response, recovery, and the organizational transition that must occur after recovery from a crisis.
