

TKEs Plan Jump-a-thon at SWOSU

10.03.2013

The 4th annual jump-a-thon by Southwestern Oklahoma State University's Tau Kappa Epsilon social fraternity will take place October 7-10 in front of the Clock Tower on the Weatherford campus.

Members of the TKE fraternity will be jumping on the trampoline for 80 hours straight to raise money for St. Jude Children's Hospital. TKEs will accept donations at the site of the jump-a-thon or tax deductible donations can be mailed to:

Lucas Coody
408 N. 4th Street
Weatherford, OK 73096

TKE President Tanner Miller said frat members would appreciate any support from the campus and community. This fundraiser raised over \$2,000 for St. Jude Children's Hospital last year and they would like to exceed that amount this year.

Miller said discoveries made at St. Jude have completely changed how the world treats children with cancer and other catastrophic diseases. Their daily operating costs are primarily covered by public contributions.

For additional information, contact Miller at millertg@student.swosu.edu or 580.47.7569.
