

# SWOSU Physics Day This Thursday

10.31.2006

Southwestern Oklahoma State University will host Physics Day this Thursday, November 2, on the Weatherford campus.

Ten schools are sending students to the event.

Tony Stein of the SWOSU Chemistry and Physics Department said the event will begin in the Wellness Center at 8:45 a.m. and then will proceed to the Chemistry, Pharmacy, Physics Building for various demonstrations.

Schools that will be represented include: Corn Bible Academy, Thomas-Fay-Custer, Weatherford, Cheyenne, Sayre, Watonga, Fairview, Washita Heights, Seiling and Sentinel.
