

# Majors Fair this Tuesday at SWOSU

10.04.2013

Southwestern Oklahoma State University Majors Fair will be this Tuesday, October 8, in the Memorial Student Center Ballroom on the Weatherford campus.

All students are welcome to stop by the Majors Fair where nearly 20 different degree programs and student organizations will be highlighted from 12 p.m. to 2 p.m. A \$75 gift card from the University Bookstore will be given away to one attendant.

“The Majors Fair gives students the opportunity to visit with several different departments at one place and time,” says Career Services Coordinator Jonna Myers.

Myers encourages students to come ready to ask questions. Students can also prepare for the fair by participating in a short OKCIS career assessment that is available in the Career Services Office in Stafford Center, Room 209.
