

SWOSU Students Celebrate Health Information Management and Technology Week

11.06.2008

Health Information Management and Technology Week is being celebrated across the nation through November 9. Locally, Southwestern Oklahoma State University's HIM program and student organization Mu Rho Alpha are also bringing attention to the program on the Weatherford campus. HIM senior class members and officers of MRA are (front from left): Samjhana Kunwar, Nepal; Preeti Lamsal, Nepal; Amy Henard, Wellington, Texas, secretary; and Ashley Rhude, Hinton, vice president. Second row- Brandi Fowler, El Reno, assistant director of the SWOSU HIM program; Rumnaz Talukder, Bangladesh; Sabina Gurung, Nepal, treasurer; and Ruby Jones, Shattuck. Third row- Maria Nolasquez, Clinton; and Lauren Degan, Ponca City, president. In back is SWOSU HIM program director Marion Prichard.
