

# **Butler and Willis Win \$800 Parent's Day Scholarships**

10.09.2013

Two Southwestern Oklahoma State University students each won \$800 scholarships during recent Parent's Day weekend activities on the Weatherford campus.

The winners were Ashlee Butler of Carnegie and Taylor Willis of Amarillo (TX).

The scholarships were provided by Weatherford area businesses. Both lucky winners had their names drawn from registration slips that students filled out at businesses during the day.
