

Kim and Cris Brickey Pharmacy Scholarship Fund Set at SWOSU

12.21.2015

A new scholarship fund has been established with the Southwestern Oklahoma State University Pharmacy Foundation on the Weatherford campus.

SWOSU pharmacy graduates Cris and Kim (Williams) Brickey of Northlake (TX) have established the Kim and Cris Brickey Scholarship Fund, which will provide a \$1,000 annual scholarship to a deserving SWOSU pharmacy student.

“We are giving back to the school that gave us so much,” Kim said. “Cris and I met the first day of class in 1984 and married in August, 1985. We gained a beautiful friendship and marriage in addition to an education.”

Cris is originally from Cleveland (OK) and Kim from Clinton (OK). Both are 1990 SWOSU graduates, lifetime members of the SWOSU Pharmacy Alumni Association and contributors to the SWOSU Foundation.
