

# Fireworks Part of SWOSU Homecoming

11.02.2007

If area residents want to see a spectacular fireworks display, they will want to be on the campus of Southwestern Oklahoma State University in Weatherford this Saturday evening, November 3.

At approximately 8:45 p.m. following the SWOSU-East Central football game at Milam Stadium, the SWOSU Student Government Association is sponsoring the 3<sup>rd</sup> annual fireworks display. It is part of SWOSU Homecoming activities this Saturday.

"People who saw the fireworks last year were raving about the display," SGA Homecoming Chair Ashley Slemph said. "We are having a similar show this year."

The fireworks will follow the SWOSU-ECU game that begins at 6 p.m.
