

# SWOSU Groups Prepare Gift Bags for Area Students

11.20.2008

Trevor Brownen (left), freshman finance major from Minco, and Terrica Grunewald, student life specialist at SWOSU, created a gift tree out of the angel efforts. The project was chaired by CAB member James Libby, junior finance major from South Paris, Maine.

Interns in the Dean of Students Office at Southwestern Oklahoma State University partnered with the Oklahoma Department of Human Services and the SWOSU Collegiate Activities Board to make the winter break more festive for several area students. They acted as silent angels for the group and enjoyed stuffing, wrapping and creating gift bags for area youth.
