

Wesley Student Center Plans Thanksgiving Meal for SWOSU Students Staying in Weatherford

11.17.2009

The Wesley Student Center is hosting a Thanksgiving meal for SWOSU students who plan to stay in Weatherford during the upcoming holiday.

Vickie Hopf said the center will open early to watch the Macy's Day parade on the big television screen and will remain open through all the football games that day. Students can come and go.

Food will be provided (snacks then dinner at 2 p.m.) Organizers ask that people RSVP at wesleyfoundation@sbcglobal.net so they can prepare enough food. If they want, students can bring their favorite dish but it is not required. Hopf said if students have any last-minute changes in their plans and did not register, they should come anyway.
