

Senior Biology Students Presenting Seminar Posters at SWOSU

11.28.2007

Twelve senior biology students at Southwestern Oklahoma State University will present poster presentations this Monday through Wednesday, December 3-5, on the Weatherford campus.

The poster presentations will take place on the second floor of the Old Science Building from 9 a.m. until 5 p.m. on Tuesday and Wednesday. Authors will be available for questions from 4-5 p.m. A reception will also be held, and everyone is invited.

Dr. Lisa Boggs of the SWOSU Department of Biological Sciences said the theme of this semester's posters is "Oklahoma's Invasive Species." All of the students are in Senior Seminar, the capstone course for the biology major.

Participating SWOSU students are: Richard Ajiboye, Marlow; Ashley Anderson, Woodward; Mbarga Bodo, Oklahoma City; Casey Cochran, Boise City; Susannah Farris, Ringling; Grace Ann Fath, Ft. Smith, Ark.; Levi Feltman, Cordell; Kasandra Gurtner, Weatherford; Opemipo Raji, Nigeria; David Supek, Tulsa (Berryhill); Matt Tollefson, Kingfisher; and Djufo Yimfor, Cameroon.
