

SWOSU Student Body President Encourages Students to Use SGA House

11.17.2011

The Southwestern Oklahoma State University Student Government Association Center continues to improve as a gathering place for all SWOSU students.

At a recent Student Senate session, SWOSU's student body representatives approved the purchase of a 40-inch, high definition television and DVD player. All students on campus are invited to use the new system. It is just one of the many amenities provided for students at the SGA Center, according to SWOSU Student Body President David Goree.

The SGA Center boasts a full kitchen, including an oven for the use of all. Students must only provide their own ingredients. In addition, SGA provides students the ability to make free copies every day. SWOSU organizations may also hold meetings in the SGA Center.

Goree said all students are invited to take full advantage of these services anytime the SGA Center is open. Official hours are 2-5 p.m. Monday through Thursday and 2-4 p.m. on Friday. Appointments can be made for other times.

Goree said the Student Government Association is available to help students in any way possible. All are invited to attend Senate meetings on Thursday nights at 6 p.m. in the General Thomas P. Stafford Center, Room 104. Senators are still needed to fill positions in the colleges of Professional & Graduate Studies and Arts & Sciences.
