

AAUW Sponsoring Holiday Baby Basics Drive

11.23.2009

Members of the American Association of University Women are conducting a "Holiday Baby Basics" drive during the holiday season to benefit The Children's Center in Bethany.

Debbie Brown, president of the AAUW chapter on the SWOSU campus, said various items are being collected to provide the essential needs of patients year-round. Such items include personal hygiene products such as body creams, lip balms and hair brushes; clothing; baby products such as booster seats, crib mobiles, teething rings and pacifier clips; and miscellaneous items such as batteries, 44-cent stamps, bottled water, butcher paper, gift cards and digital cameras.

Donations of the products can be given to any AAUW member or brought to Room 205 of the Administration Building on the Weatherford campus. Donations are encouraged by December 10. For more information, call 580.774.3063.
