

SWOSU Students Named to Who's Who

12.15.2010

One hundred thirty-one Southwestern Oklahoma State University students on the Weatherford campus have been named to the 2011 edition of Who's Who Among Students in American Universities and Colleges.

The Who's Who award is one of the biggest academic honors on campus, because the students are selected from among some 900 seniors at SWOSU.

Campus nominating committees and editors of the annual directory select the students based on academic achievements, service to the community, leadership in extracurricular activities and potential for continued success.

The SWOSU students will be honored at a reception on February 27 at 2 p.m. in the SWOSU Fine Arts Center on the Weatherford campus.
