12.20.2010

SWOSU's Collegiate Activities Board adopted two families for Christmas through the Department of Human Services office in Clinton and CAB members recently donated toys and groceries to the DHS staff. SWOSU senior Nathan Smith (far right) of Medicine Lodge (KS) served as adopt-a-family chair and said "it was rewarding to shop for the kids and moms, buy some holiday groceries and wrap it all up." Also pictured from SWOSU are Clinton resident Laurissa Drew (next to Smith), student life specialist at SWOSU, and CAB member Nic White (next to Drew) of Conroe, Texas.
