

ResLife Plans Spring Break Trip for SWOSU Students

12.09.2013

SWOSU's Residence Life will leave on its annual Spring Break Ski/Snowboard Trip to Telluride (CO) on Friday, March 14, and return Friday, March 21, and the trip is open to all SWOSU students on the Weatherford and Sayre campuses.

Director of Residence Life Chad Martin said the trip is an opportunity for students to have fun at a large resort for an affordable price, and the deadline to register is this Friday, December 13.

The trip costs \$500 for residents of the halls on campus and \$600 for non-residents. The price includes round trip travel on a charter bus equipped with Wi-Fi and televisions, four days of skiing or snowboarding with lift tickets and equipment rentals, and five days of lodging in ski-in/ski-out condos. The only additional costs for students are food and souvenirs.

Students must pay a deposit of \$150 by December 13 to secure their spot on the trip, but those who pay in full by that date will receive a \$50 discount on their total expense.

Visit the ResLife office in the basement of Neff Hall to sign-up. For more information, contact Martin at 580.774.3024 or chad.martin@swosu.edu.
