INTRODUCTION

This is an author and subject index to The Tolkien Journal. Artwork is listed under artist. Reviews are listed under the reviewer and the author/editor of the book being reviewed. Fiction (including verse) is listed under author. All other items are listed under subject and author.

References are usually given to issue and page, for example 14.10 refers to issue 14 page 10. The abbreviation fc is used to indicate the front cover and bc the back cover when these were not given page numbers. Where a reference refers to a whole issue it is given as 12w.

References to artwork are given in bold, to letters in italics and to reviews in bold italics.

In its seven year history The Tolkien Journal had four editors and four publishers, in addition both Shire Reckoning and AD dates were used for different issues. These are detailed in the table set out below.
